13 **D. Necessity for Appearance by Applicant**

14 The Chapter 11 Trustee has retained CKR Law LLP ("CKR" to represent him
15 in the above-captioned case. I am a graduate of Virginia Military Institute and
16 Widener Law School. I am an experienced Chapter 11 bankruptcy practitioner and
17 have sixteen years of experience in bankruptcy litigation and insolvency matters. I
18 can assist in this matter by preparing the necessary motions and, later in the case, in
19 negotiating and formulating a plan of reorganization.

20 In addition to my significant bankruptcy and Chapter 11 experience, CKR
21 Law also has an extensive bankruptcy and restructuring department, with attorneys
22 experienced in representing Chapter 11 debtors, creditors' committees, secured and
23 unsecured creditors, trustees, asset purchasers and sellers, and other parties in
24 complex bankruptcy and insolvency proceedings in courts across the country.

1 This bankruptcy matter also involves cutting-edge blockchain technology.
2 CKR is particularly well-suited to represent the Chapter 11 Trustee in this Chapter
3 11 case, because CKR has one of the largest and most experienced blockchain
4 practice groups in the United States. CKR's Blockchain Technology & Digital
5 Currency practice group provides clients with sophisticated, value-added legal
6 advice in legal matters involving bankruptcy, real estate, intellectual property,
7 banking, finance, securities, corporate, crowdfunding, investment funds,
8 employment, and litigation. Recently, my partner Alexandra Levin Kramer was
9 named by ICO Alert (a blockchain trade group) as the only practicing attorney in
10 the United States on their list of Top 40 Blockchain Influencers of 2018. CKR's
11 knowledge and experience in blockchain and related issues will allow the Chapter
12 11 Trustee to discharge his duties in this factually and legally-complex Chapter 11
13 proceeding.
